### From the West

Take the **Mass Pike (Route 90) East**.

After the Allston tolls the highway goes under buildings.

Here you want to take the Prudential Center/**Copley Square exit**.

The exit ramp forks – **take the fork to the right for Copley Square**.

After coming above ground, at first traffic light **take a right onto Dartmouth Street**.

Continue down Dartmouth Street (crossing through 3 major intersections – first Columbus Avenue, then Tremont Street, then Shawmut Avenue)

After crossing Shawmut Avenue, continue to traffic light and **turn left onto Washington Street**.

**#1411 is almost immediately on your left** (directly across from the cathedral, next to the Vietnamese restaurant *Pho Republique*)

### Parking Options

**Street Parking – Visitors spots:** Much of the street parking without meters is for residents, but there are a few Visitors spots (look for white signs with green lettering).

**Street Parking – Metered spots:** Washington Street is all metered parking, so be prepared with quarters (we have plenty in the office, if you need them). It takes 8 quarters to fill to the 2-hour limit, which means you need to feed it again until 6pm.

**Foodies Parking Lot (best for brief visits):** If you're really stuck and only need to come up to the office for an hour or less, you can park behind the grocery store called Foodies.

**Paid parking garage:** There is a paid parking garage on Harrison Avenue. Harrison Avenue is parallel to Washington, behind the cathedral. You can take the street to either side of the cathedral, and then make a right onto Harrison Avenue. You will pass

the Police Station on your left. The parking garage is a block or so down on your left. Look for the big blue P.

**To ring our doorbell and get buzzed in:**

See panel on wall to the left of the front door.

Hit the "CALL" button, then dial "006"

This will call upstairs to the SSDS office phone and we can then buzz you in the front door.

Once inside, go up the first flight of stairs.

At top of stairs turn left, and then right.

Suite #6 is directly ahead of you at the end of the hallway.
